November 1, 2005

Dear Student and Non-Student Neighbors,

Greetings on behalf of La Salle University's Br. Augustine Center for Commuter and Off-Campus Students. The University will be starting "Breakfast at the Br. Augustine Center", a program to allow student and non-student neighbors a setting of personal introduction. Although there may be problems between neighbors, this breakfast is not meant to be a forum for neighborhood concerns. Because the main goal is to allow neighbors an opportunity to get acquainted in a relaxed atmosphere, over breakfast, here at the Center, participation is limited to residents of the invited street(s) only.

Breakfast will be held once a month beginning on Wednesday, November 30, 2005 from 9am-10am. We will hold the breakfast for a street or combination of streets, with Uber Street being the first street on November 30th. You will receive another letter prior to your street's breakfast. Uber Street residents, please RSVP to (215) 424-7570 if you are attending by November 21, 2005 so that the Br. Augustine Center may have an adequate head count to ensure enough food. Thank you and hope to see you soon.

Sincerely,
